# **raspador Documentation**

***Release 0.1.3***

**Fernando Macedo**

September 21, 2015

<b>1</b>	<b>Install</b>	<b>1</b>
1.1	Package managers . . . . .	1
1.2	From source . . . . .	1

---

**Install**

---

## 1.1 Package managers

You can install using pip or easy\_install.

PIP:

```
pip install raspador
```

Easy install:

```
easy_install raspador
```

## 1.2 From source

Download and install from source:

```
git clone https://github.com/fgmacedo/raspador.git
cd raspador
python setup.py install
```
